10/2/17

Dear parents and carers,

We have planned a farm wow day to start our new topic. This will be on Tuesday 21st February 2017. To introduce the new topic we will be doing lots of fun farm themed activities and we thought it would be fun for everybody to come in character by wearing a farm mask designed and made by the children (there is no need for full costume, just the mask with their uniform is fine). There will also be a competition with a prize for the best farm mask in each class. We look forward to seeing your creations! As part of the day we will also be baking farm biscuits. The ingredients will be flour, sugar, egg yolk and butter. If your child is unable to eat any of these ingredients could you talk to your class teacher on the Monday 20th February 2017.

Have a lovely half term!

From the Foundation Team
