November 2015

First admission to school - September 2016

I am writing to inform you of an update regarding admission to Reception in September 2016. As you may be aware applications can be made between 2 November 2015 until the closing date of 15 January 2016. It is very important that you apply by the closing date as applications received after this reduces your chances of obtaining a place at your preferred school. You can apply online at [nottinghamshire.gov.uk/school admissions](http://nottinghamshire.gov.uk/school-admissions) and you should list four schools in order of preference.

This year you can apply for Meadow Lane Infant School as usual and for the first time you can also apply for a Reception place at College House Junior School, as there will be three new infant classrooms at College House from September 2016. **This means that College House will be admitting 30 Reception children in September and will become a primary school.** This is being driven by the Local Authority in order to fulfil the need for more Reception places.

Therefore, if you wish your child to attend either Meadow Lane or College House you will need to apply for the schools in order of preference (1st & 2nd choice). Please be aware that College House will be listed as College House **Junior** School as it is not yet officially a primary school but the age range will be shown as **4-11**.

If you do not choose both schools in your preferences you will not be allocated a place, even if you live within the catchment area or there is a sibling at either school. You may be offered a place at a school that is a significant distance from your home.

If you have any further questions please contact the school office at Meadow Lane on 0115 9190644 or email office@meadowlane.notts.sch.uk
