Assessment Workshop

Dear Parents/Carers,

As you may be aware, due to government reforms, the way in which schools assess the attainment and progress of children has changed. Schools in England and Wales no longer use levels to track children's achievement, but are expected to work together to develop their own systems which work best for them. At Meadow Lane and College House we have worked hard to develop a new system which allows us to accurately identify how well children are doing in their learning and to help us to identify targets and next steps.

We would like to invite you to an evening assessment workshop where we will share our new assessment system with you. During the workshop we will:

- Present an overview of the new assessment system being used across the two schools;
- Provide you with the opportunity to explore the expectations in reading, writing and maths for your child's year group;
- Provide further information on how we use assessments to help children achieve their full potential;
- Introduce you to the language we use when talking about assessment.

The workshop will take place at Meadow Lane Infant School on Wednesday 27th January at 6pm. It should last no longer than an hour. We are sorry but we are unable to provide crèche facilities. Tea and coffee will be available.

If you would like to attend please complete the reply slip below and return to school as soon as possible.
Many Thanks
