

October 2014 - We had a fabulous book week this year. We talked a lot about all of our favourite books and we shared a lot of them in assemblies and at story times. We had a great time at our 'Bacon Butty and a Book' breakfast morning and enjoyed our food and a book themed treasure hunt. We then had a visit from the authors Cid and Mo who take to us about how they write their stories together. Finally we dressed up as our favourite book characters and enjoyed an after school craft event with our parents. What a busy week!!
