

Class 4 - Great Fire of London and Greens Mill

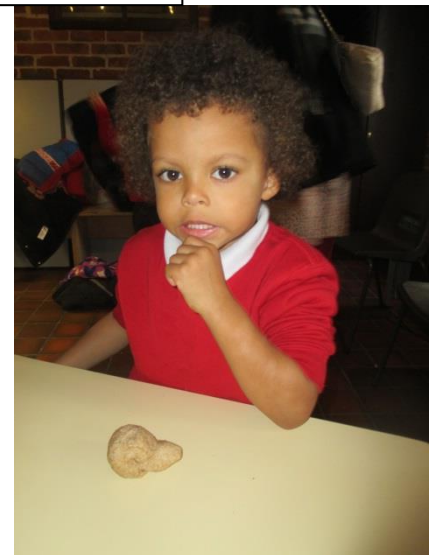

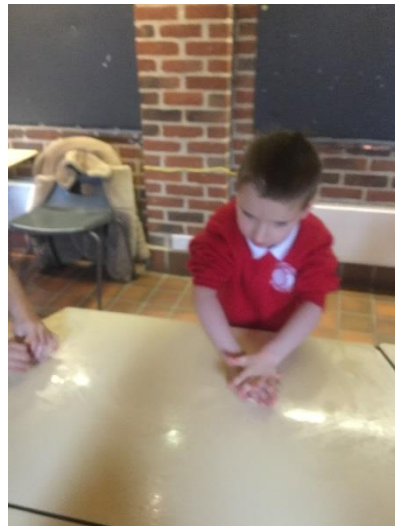

Class 4 have really enjoyed the Great Fire of London topic. We were lucky to work with Mrs Dee to produce a piece of music which tells the story of the fire. We also worked with Jennifer in dance and we pretended to be different parts of the fire. We worked on art projects with Miss Weller which included tissue paper art and portraits of Samuel Pepys as well as rebuilding London out of lego.

Class 4 - Great Fire of London and Greens Mill

We worked together to do a collage of The Little Red Hen.

At Greens windmill we made bread and went up to the top of the windmill.

We also made our own windmill.
