

March 2015 - We have run all sorts of clubs in the spring term. Choir takes place every Thursday and we have performed in front of our families. The children have also been enjoying Let's get cooking, Zumba, Tennis and 'of course, the dance club which led up to a great performance at the Chilwell Dance Festival. What a busy term!

Zumba club - this club was run by Miss Tewson for some year 1 children who really enjoyed learning some new moves and keeping fit! Even the mums and dads came and joined in for the last session!

Let's Get Cooking - The year 2 children have really enjoyed cooking lots of healthy food including smoothies, bread and butter pudding and roasted vegetable wraps - yum!

At the end of the sessions the families came into school to cook with the children - and eat what they had made!

Tennis - Some Year 1 children really enjoyed tennis club with Mr Osborne. They learned lots of new skills and enjoyed playing tennis with the nets.

Dance - A group of Year 2 children really enjoyed dance club with Miss Somerfield. They learned a new dance and then performed it at the Chilwell Family of Schools Dance Festival. They did a great job!
