Dear Parents/Carers

### ***E-Safety Parents' Meeting***

Last month in school we marked Safer Internet Day by holding an assembly and speaking to our classes about the importance of staying safe online in a world where technology is increasingly playing a bigger part in our lives.

While we stressed the fantastic things computers, mobile phones and social media can offer us, we do feel it is extremely important our children are made aware of the potential dangers too.

In order to share information with you, we are holding a parents/carers meeting regarding E-safety on **Tuesday, March 21<sup>st</sup> at College House** from **6pm until 6.30pm**. During this meeting we will explain the possible pitfalls your children could encounter as they grow up and how to protect against them where possible.

Please complete slip below and return to relevant school office if you are able to attend. It would be great to see as many parents as possible from both schools. Refreshments will be available.

Thank you for your continued support.
