

MEADOW LANE INFANT SCHOOL
ECO DAY

18 November 2015

Dear Parents/Carers

We are having an Eco Day on Thursday 26 November 2015, when we will have a visit from 'Green up your Act' who bring environmental issues to life through presentations and creative hands on workshops for children.

The children will take part in a "say no to plastic bags" workshop, to enable them to gain a better concept of the 'reduce, re-use and recycle' mantra. We will also be examining plastic found on beaches in the UK, its effect on wildlife and how long it takes to break down. The children will be drawing underwater habitats onto a cotton bag to be re-used at home to help spread awareness.

In order for the visit to take place, we would ask you for a voluntary contribution of £2.00, to cover the cost of the workshops and materials. Please complete and return the slip below with your payment.

Thank you.

Mrs Styles
Eco Co-ordinator

ECO WORKSHOPS

I enclose £2.00 to cover the cost of the Eco workshops at Meadow Lane on Thursday 26 November 2015.
