Amalgamation of Meadow Lane Infant School and College House Primary School

Opening of The Lanes Primary School

As you are/may be aware the Department for Education have agreed to the amalgamation of Meadow Lane and College House schools. A new primary school called The Lanes Primary School will open in September 2017. Due to the numbers of children the new school will continue to comprise of the two buildings and there will be a 'Meadow Lane site' for the Reception and Year 1 children and a 'Cator Lane site' for the children from Year 2 to Year 6.

As part of the process of amalgamation we have to formally close both Meadow Lane and College House before opening the new school. The staff at both schools are keen to ensure that we say goodbye properly and take time to celebrate all the work and good times that have been enjoyed at the schools by many members of our community.

We are planning to hold a celebration/goodbye event at each school and we are keen for as many people to be involved as possible. We are still finalising the details and the date but in the meantime we thought that we could begin to gather some memories from both schools. If you went to either school or you know someone who did it would be great if you could send in any photographs, memories, pictures, etc that you may have. We are hoping to use these to supplement our resources in school to enable us to honour the history of both establishments.

As soon as we have any more details regarding the events in school we will let you know. We will, of course, be celebrating the opening of The Lanes in September – again more details will follow soon. The information will be posted on the websites of both schools and will also be featured in the local press.
