

MEADOW LANE INFANT SCHOOL

Medieval day

At Meadow Lane, KS1 have been learning about Kings and Queens. As part of our topic we held a kings and queens day where everyone came dressed up as kings, queens, peasants and servants. Throughout out the day we enjoyed a medieval banquet, making a castle and having a shield war as well as making catapults and doing illuminated writing. A great time was had by all, here are a few pictures and reflections to give you a flavour of what happened.

"I liked making a catapult and dressing up." Effii

"I liked doing fancy writing."
Thomas

"I liked medieval dancing because we danced with a partner." Thomas

"I liked the shield war because we got to make our own castle." Rhian
