

14 March 2016

To all Parents/Carers

I would like to invite you to attend one of our Parent Forum events which are due to take place on Wednesday 23 March 2016, one will be held at 2.30 pm and one at 5.30 pm. This will provide an opportunity for you to talk to Miss Hodkin and myself about the direction the school is taking. We will talk to you about our role in school and hope to give you an opportunity to meet one of our Governors.

Attending this meeting is another way for you to give us some feedback about your school and the direction it is taking. We will share our School Improvement plan priorities and talk about how we formulate this plan. This is also an opportunity to provide you with information about current developments in education and discuss how the school is responding to these.

Please be aware that these meetings are for adults and on this occasion we are unable to provide a crèche. The content of each event will be the same so you only need to choose one event to attend. Each event will last no longer than an hour and refreshments will also be provided.

These meetings are an opportunity to talk to other parents and discuss what is working well at our school and consider other areas for development. They are really valuable but please note that we will only run these meetings if we get a good response for attendance. Can you please complete and return the reply slip below to show your interest in attending.

Thank you

Jo Revill
Executive Head teacher
