

**July 2014** - At Meadow Lane we work hard to raise money for lots of different charities. This year we chose to raise money all year towards Breast cancer care. This charity had a special meaning to us all as one of our members of staff has been fighting the disease this year. The school Council helped us to arrange cake sales, collections and a great Pink Day where staff and children held their own Race for Life along with the junior school. All in all we raised a magnificent £2000 which was donated to the Nottingham Breast Cancer Care Unit.
