January 2017

Dear Parents/Carers

In school we are working hard to encourage all the children to read as often as possible. Our bank of literacy volunteers are working with great dedication and the children are benefitting hugely from their help. We have already enriched the curriculum with wow story telling sessions and a hugely successful Book Week. This term we will be celebrating World Book Day on Thursday March 2nd.

It is vitally important that the children enjoy reading, whether this is reading to themselves or listening to a story or poem. We are, therefore, asking the children to think about the kinds of things they like to read and where they like to read them. We would like the children to bring in a photograph of themselves or a family member reading a book, magazine, paper, menu etc. The photograph can be taken anywhere – the stranger or funnier the better! We will display these photographs in the entrance of school and there will be a prize for the best three photographs, to be awarded on World Book Day. Please note on reverse of the photograph your child's name, class number and where they are.

Have fun – and get busy reading!

Joanne Revill
