

MEADOW LANE INFANT SCHOOL
CHRISTMAS NATIVITY 2016

To Parent/Carers of
all Reception Children

24 November 2016

This year's Reception Nativity performance will be held on Thursday 8 December at 10.00 am and Friday 9th December at 2.00 pm (all the children will be in both performances).

In order to prevent overcrowding at any one performance we are issuing numbered tickets for both days. **Tickets are initially limited to two per child but if we do have any spare we will let you know.** The performances will last approximately 45 minutes and we ask that if at all possible younger siblings do not attend, as they can be distracting for our young performers. We will be providing the costumes. Please complete and return the slip below stating which date/time you would like to attend. We will then send the appropriate tickets home in an envelope with your child. If we are unable to give you your selected choice date/time we will contact you.

In line with our Photograph Policy, would you also indicate below if you intend taking photographs or using a video camera at the performances. All mobile phones should also be switched off. *We intend producing a DVD of the performance and this will be offered for sale to parents for £2.50. If you have any concerns about your child being in the DVD, please let us know.*

(Please note if you attend on the afternoon performance you may take your child home after they have changed - please collect them from the classroom). Following each performance we will have a retiring collection for our chosen charity which will be confirmed at the performances.
