

School Council Minutes

11.10.16

We had our first meeting as a new school council and first of all we introduced ourselves to each other. We spoke about what the job of the school council is and about some aspirations for the year.

We then spoke about our first event that needed organising, 'Children in Need'. The Council decided that we should wear pyjamas for the day. We looked through some of the other fundraising ideas that were in the Children in Need pack and decided on doing a guess how many spots on the cake competition.

17.10.16

This meeting was in preparation for Pyjamas for Pudsey day. We started by making colourful and interesting posters to catch people's attention and to advertise the event - which is only a month away now! We then put the posters on all the outside doors to school so that all the parents and carers can see the posters and know what the event is and when it is happening. The children enjoyed talking about what pyjamas they are going to wear!

16.11.16

This meeting was in preparation for Children in Need. We decorated a cake with Maltesers, Smarties, chocolate buttons, jelly tots, and rainbow drops. We also went through how best to sell the guesses to people and we made children in need bunting to decorate our stall.

17th and 18th November 2016

All year 1 and 2 members of the school council were in the playground before school selling guesses for 'How many spots are on the cake'. This went brilliantly. The council were excellent at selling and even used a microphone to advertise what they were doing. We raised lots of money through this event.
