

Meadow Lane Infant School

PE and Sport Premium Report 2017

Over the past four years, Meadow Lane has used the PE and sport premium funding to enhance our PE curriculum and to provide children with a range of experiences that they would not have been able to access otherwise. Please see below for a breakdown expenses.

External providers

The funding has been used to employ a variety of specialists to work in our school with the children, and has included the teaching of dance, gymnastics, athletics, multi skills and cricket. School Teachers were always present during these lessons and this enabled the teaching staff to observe the specialists, which gave the teachers confidence and ideas to use in their own lessons. The specialists have brilliant knowledge which allows the children to progress to their full potential and their energy and enthusiasm has shone through to ensure the children always engage and enjoy the sessions.

Trips

The funding has contributed to children experiencing a wide range of sporting trips, these included a trip to Derby Velodrome and Derby County Football Club. We also had the opportunity to go and cheer on Team GB speed skaters during an international speed skating event at Nottingham ice arena. These visits certainly widened the children's knowledge of sport as well as providing first time exciting experiences for the children.

One off experiences

Each year we have held a healthy living week where the children experienced taster sessions in karate, hockey and belly dancing sessions as well as learning the importance of why we need to exercise and be healthy.

Staff CPD

The funding has also helped to improve staff confidence in teaching PE. Many of our staff have attended training events and courses including the PE co-ordinator which has resulted in the sharing of good practise and ideas between all teaching and non-teaching support staff. Over the past four years the school has had regular staff meetings with the family of schools which has helped to ensure continuity and progression across our community. The funding was also used to buy into a planning programme to ensure that all staff across the family were using the same planning.

Clubs

The funding has been used to subsidise sports clubs (both before and after school clubs) encouraging as many children to join as possible. Over the four years we have provided a wide range of clubs including Zumba, tennis, football, belly dance, street dance, line dance, gymnastics, kick boxing, multiskills, yoga, and athletics. We believe it is important to offer the children a range of clubs so that they have the knowledge and understanding of lots of different sports. This will also give them the opportunity to try new sports and ultimately find a particular sport that they enjoy and can achieve in.

Detailed account of spend

2016/2017

Item	Cost
Equipment	£4834
CPD	£80
External providers	£2345
Planning	£240
Clubs	£660

Trips	£245

2013/2014

Item	Cost
CPD	£910

Total cost 2013-2017

Equipment	£6467
CPD	£2683
External providers	£8743
Trips	£995
Clubs	£1225
One off experiences	£1577

After school clubs

The funding has been used to pay for external providers to deliver before or after school clubs. Over the past four years we have offered a wide range of clubs to the children.

2013-2014 clubs

There were 3 clubs for year 1 (Zumba, tennis and street dance) and 3 clubs for year 2 (football, karate and dance).

	Number of children attending clubs	Percentage
Year 1	36 (70)	51%
Year 2	47 (70)	67 %

2014-2015 clubs

There were 5 clubs for year 2 (tennis, football, multiskills, athletics and dance). In year 1 there were 5 clubs (Zumba, street dance, multiskills, athletics and Tennis).

	Number of children attending clubs	Percentage
Year 1	58 (70)	82%
Year 2	46 (70)	65%

2015-2016 clubs

There were 4 clubs for year 2 (gymnastics, dance, football and line dance). In year 1 there were 2 clubs for year 1 (tennis and multiskills).

	Number of children attending clubs	Percentage
Year 1	34 (70)	48%
Year 2	58 (70)	82%

2016-2017 clubs

There were 2 clubs for Year 1 (Tennis and multiskills) and there were 5 clubs for Year 2 (kickboxing, dance, multiskills, football and tennis) and there has been a reception multiskills club. This is the first year we have offered a sports club to Reception children.

	Number of children attending clubs	Percentage
Reception	20 (70)	28%
Year 1	29 (70)	41%
Year 2	59 (70)	84%

In the four years there has been an increase in the amount of children attending before or after school clubs. 2014-2015 was the most successful year for year 1 clubs and for the past 2 years we have got 80% of year 2 children attending sports clubs.
