

## Summer 2015

As usual we had a very busy summer term!

The Year 2 children enjoyed their annual Residential to Sherwood Forest.

The Year 1 and Reception children went to Attenborough Nature Reserve. They did some pond dipping and learned about minibeasts.

The whole school enjoyed our annual Sports Day on the field at College House. The Year 6 children were a great help too!

Our Year 2 children ended their year with a great show - 'Year 2's Got Talent' and they also really enjoyed their Graduation celebrations.

To finish another great year we held our annual Picnic which was great fun! We had a steel band, did some line dancing and ate strawberries and drank Pimms - lovely!
